## INTRODUCTION

The office of Institutional Research has produced an Enrollment Statistical Summary Report for each semester since 1995. The purpose of these reports has been to provide the University Community with both undergraduate and graduate enrollments broken down by class, gender and ethnicity.

The current report (Fall 2000) has been organized a bit differently than those produced in prior years. It is our hope that the information presented is easier to read, and the additional break out of full and part-time undergraduate and graduate students by class, gender and ethnicity will add a little more information available to you for planning purposes. We anticipate that future reports will include more detailed student credit hour production information to assist in your management and planning activities.

We invite your reactions to the Enrollment Statistical Summary Report. Please let us know of any changes or suggestions for additional information you feel would be helpful. We can be reached by telephone at 554-2367 or by FAX at 554-2873.

Mark A. Byrd, Director  
Office of Institutional Research

### Glossary

The head count and student credit hours in this enrollment report are provided on a delivery-site basis. Delivery-site included enrollments in all courses taught at UNO regardless of "home" campus. This means that courses/programs offered through UNL but taught at UNO are included in the numbers presented here. Specifically, the delivery-site enrollment numbers include students enrolled in courses at UNO in the colleges of Agriculture, Architecture, Engineering and Technology, and Human Resources and Family Science. **Excluded** from this report are UNO students enrolled in the college of Public Affairs and Community and Community Service located at UNL.

**FIRST-TIME, FIRST-YEAR (freshmen) student:** A student attending any institution for the first time at the undergraduate level. For students entering the fall term, this includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also included are students who entered with advanced standing (college credits earned before graduation from high school).

**OTHER FRESHMEN:** At the beginning of the current semester, undergraduate students who (1) are not First-Time Freshmen and (2) have less than 27 semester hours earned from all institutions of higher education attended.

**SOPHOMORES:** At the beginning of the current semester, undergraduate students who have at least 27, but not more than 57, semester hours earned from all institutions of higher education attended.

**JUNIORS:** At the beginning of the current semester, undergraduate students who have at least 58, but not more than 90, semester hours earned from all institutions of higher education attended.

**SENIORS:** At the beginning of the current semester, undergraduate students who have at least 91 semester hours earned from all institutions of higher education attended.

**SPECIAL UNDERGRADUATES:** Undergraduates holding an undergraduate degree awarded before the beginning of the current semester.

**LESS-THAN DOCTORAL:** Graduate students who have not been accepted into a doctoral program.

**DOCTORAL:** Graduate students who have been accepted into a doctoral program.

**FULL-TIME:** In the current semester, undergraduate students enrolled for 12 or more semester hours, or graduate students enrolled for 9 or more semester hours.

**PART-TIME:** In the current semester, undergraduate students enrolled for less than 12 semester hours, or graduate students enrolled for less than 9 semester hours.
